

FIELD TECHNICIAN

POSITION SUMMARY: The Field Technician is an entry level position that assists the field crews with mountain-based work, scientific crews with field data collection and entry, and geologists with core cutting as needed. This is a full-time position for the 2024 exploration season, approximately May to October.

KEY RESPONSIBILITIES:

- Assist Mountain Crew with the construction of drill pads, waterline support, trails, brushing or clearing.
- Provide support to consultants or the Environmental Team with monitoring, instrument checks, weather station, data logging and spread sheets.
- Work in the Core Shack cutting core for geological analysis.

MINIMUM QUALIFICATIONS:

- High school diploma, or GED preferred.

KNOWLEDGE, SKILLS, AND ABILITIES:

- Ability to repetitively lift and carry up to 50 pounds and perform physically demanding work in a variety of weather conditions. (pre-employment medical exam required)
- Mechanical aptitude with carpentry and experience with power tools a plus.
- Proactive and collaborative attitude, committed to working in a team environment based on respect, trust and accountability in pursuing shared goals.
- Mindset that factors personnel safety, environmental protection, and community commitment into every decision and action.
- Self-motivation with good attention to detail.
- Valid driver license with clean driving record.
- All new employees must pass a background and drug test.
- Valid standard first aid certification a plus.

SCHEDULE: Work hours generally are 7AM - 4PM; schedule and rotations to be discussed.

PAY RATE: \$18 to \$30 per hour DOE.

LOCATION: Palmer Project Camp near Haines, Alaska.

We are an equal opportunity employer. We celebrate diversity and are committed to creating an inclusive environment for all employees. All employment decisions are based solely on qualification, merit, and business need.
